THANKS FRANK! WE'LL MISS YOU!!

Since 1979, Dr. Frank Seeley has contributed to Gunn in many ways. His presence alone, served as an aid to many students and teachers alike in the transition from Cubberley to Gunn. Dr. Seeley cares about people. He cares about relationships. He has served as a communication bridge between students, parents and teachers and without his help, many activities or events could never have taken place. Dr. Seeley's hard work and dedication have shown his support and concern, not so much in words, but in actions. For this, the Olympian Staff proudly dedicates the 1982 Olympian to Dr. Frank Seeley.

Frank Seeley is a man who accomplishes many things for people quietly while others storm. He does for people at all times. He gives of himself all the time. He is always available to help at school events and does so with great enthusiasm. He has only one fault, a very messy desk. I've enjoyed being Dr. Seeley's secretary for two years. I've learned from him as anyone who works with him will. I've learned to take time to care.

Lina Moffitt

At Cubberley he made a great principal, at Gunn he is a great Assistant Principal. He always attends football games, basketball games, and many other athletic events. He is also supportive of student initiated activities. When Dr. Seeley retires, the Gunn student body will be losing not only a great administrator, but also a great friend.

Mary Sano

Gunn is a very free and accepting place. Just walk through the Quad at lunch with your eyes and ears open. You will see and hear a marvelous variety of interchanges going on. They range in level from kindergarten to beyond college, and except when physical antics spill over on neighbors, students accept these differences from each other. I have liked that about Gunn.

— Well —
I could write about

I could put 10,000

A hand-drawn collage by Pink Floyd. At the top center is a large yin-yang symbol. To its left is a stylized city skyline with a tall building. Above the yin-yang is the text 'Rooftop Magic' with a small drawing of a person on a roof. To the right of the yin-yang is a small circle containing a plant. Below the yin-yang is a tilted rectangular box containing the text 'A good life', 'to the friends', 'The who', 'enemies and', 'lovers who've help- ed me grow'. To the left of this box is the text 'ST.C.' and a small drawing of a person. Below the box is a checkered pattern. To the right of the box is a small drawing of a person. At the bottom right is a drawing of a brick wall. The name 'PINK FLOYD' is written vertically on the right side. The text 'Cgg's' is written at the bottom center.

The Frosh/Soph Football team started the season by winning their first three games. They lost a couple of close games early in league play, and couldn't salvage a win the rest of the year. QB Chris Nelson had a solid year throwing to split end Hillel Familant, and freshman Andy Coan. The Offensive line was led by second year Starter Doug Bunnell. The defense was superb all year long with sophs Dave Austin, Jim Treybig, Casey McGannon, John Todd, Kelly Coan, and Nick Angeloff turning in super performances. Coach Bow was satisfied with the season. He called this year the infancy of the Gunn Football program.

The Junior Varsity Girls's volleyball team enjoyed a relatively successful season placing second in the S.C.V.A.L. behind top ranked Los Altos.

Coached by recent Gunn graduate Kathy Jensen, the team consisted of 14 girls with two co-captains, Junior Heidi Vogl, and Freshman Dorothy Vendley. The M.V.P. was Heidi Vogl and the award for the most improved player went to Liz Peters.

THATS
← HOT! TD

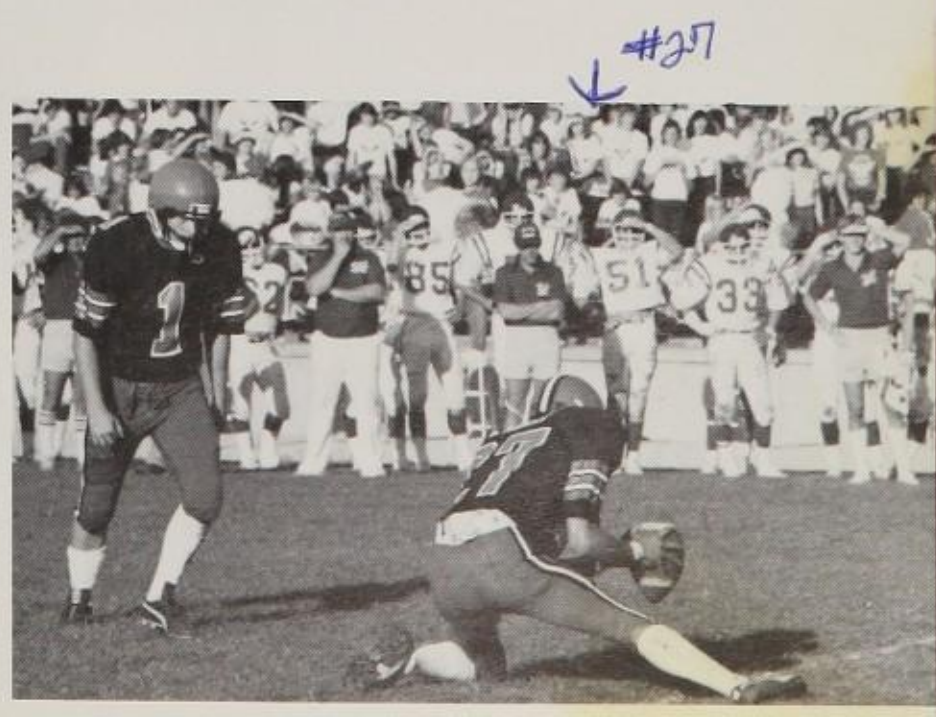

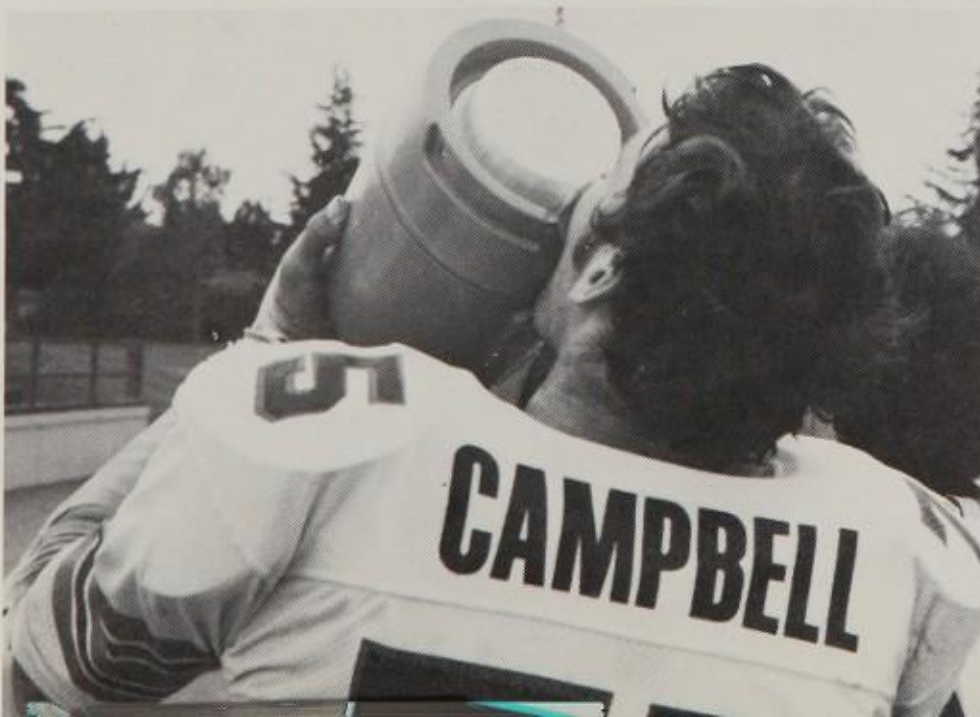

The 1981 Varsity football team had a respectable season under first year coach, Len Doster. Although wins were scarce, the team was competitive and never gave up. They upset a strong Los Altos team, and knocked Santa Clara out of playoff contention with a 16-6 homecoming victory. Senior QB Chris Strausser showed poise and leadership in leading Gunn's inconsistent offense. Strausser, along with wide receiver John Chovanec, had record setting performances against a strong Wilcox team. Their season achievements earned them 1st team all-league positions. The offensive line led by Roger Campbell, Todd Handy, Bob Yetso, Paul Koestner, and sophomore Jim Yetso opened holes for a sporadic running game. Brad Elman, Doug Forbes, Mike Cohen, Dave Perry, and Chris Darden all interchanged in the fullhouse backfield. This year the backbone of the team was the defense. Secondary players Greg Roy, Andre Chapman, Mike Cohen, and John Chovanec guarded opposing receivers tightly, and were effective at coming up and stopping the run. The defensive line was fairly aggressive and put tremendous pressure on the opposing QB's. Campbell, Yetso, and Koestner did a good job plugging up the middle, while Carlos Herrera, Chris Darden, and second team all-leaguer Mike Lee, closed off the ends. Finding a good combination of linebackers was a problem, as Dave Perry, Paul Gabriel, Stan McAlister, Nick Sturiale, and Russ Light shuffled in. Overall, the coaching staff was pleased with what they called the first year of the rebuilding of the Gunn football program.

This year, a magnificent season was overshadowed by a disappointing showing in the S.C.V.A.L. playoffs. Backed with experience and depth, the team became stronger every game. They easily won their 4 non-league games, and finished the S.C.V.A.L. regular season undefeated. Gunn faced rival Paly for the league title. Paly avenged a regular season loss by beating Gunn to force a deciding game. Paly won the deciding match 5-2. The J.V. team had a superb season with an unblemished 9-0 mark. They never lost more than one point in a match. Like the varsity, the key to their success was depth and experience. Although it was the first time in years Gunn hasn't won the league title, coach Poff said that this years' team was the best she has ever worked with.

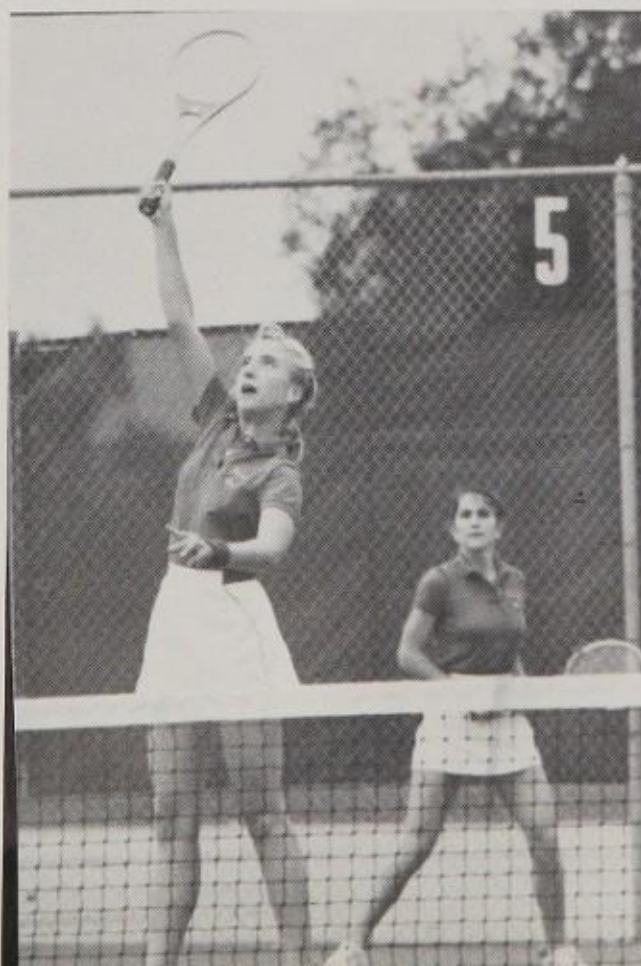

"They had great team spirit and unity, and they certainly were the most all around outstanding group of young women I have ever coached."

This year's girl's swimming and diving team kept alive the tradition of outstanding performances that Gunn's previous teams have been known for. The team consisted of 56 swimmers and 8 divers, marking the biggest team in Gunn's history. The Varsity girls, led by All-Americans senior Caroline Bethke and junior Jennifer Pratt, came in second in the league upsetting Los Altos by 1 point. However they were unable to match the dominance of Santa Clara, a team coach Little calls the best in Northern California. The Frosh-Soph team had a perfect season finishing first in the league by defeating Paly 443-214. Coach Little describes the Frosh-soph team as being the best ever with girls that could've made the Varsity team at any other school. The divers were also very successful this season finishing undefeated and first in the league. In the S.C.V.A.L. finals Helga Brown placed first, Karen Grove, fourth, and Pam Raynak; fifth. Lissa Bethke and Katie Chalberg placed first and second respectively for the Junior-Varsity.

A Split Season

The Gunn Varsity water polo team had a very trying season. They went 3-3 overall in the league. Unfortunately for Gunn, former star Andy Koiijane was forced to sit out because of a back problem. Senior standouts Jerry Dickens, Chris Wilde, and John Cardoza gave outstanding performances all season long. Juniors Jon Hansen, Jordy Dienger, and Harold Ambler all contributed their talents and will play the key rolls on next year's team, as Gunn enters a new competitive league.

Row 1- Andy Coan, Mike Namphy, Eric Fong, John Davidson, Andy Wagstaff, Troy Frisbie, Kelly Coan. Row 2- Dave Dohrmann, Jim Walecka, Mark Iglehart, Peter Cosovich, Bruce Bridges, Chris Nelson, Raymond Chrisman, John Schwettman, Coach Sevey.

The Frosh/Soph basketball team had a good season under first-year coach John Sevey. Gunn came on strong in the pre-season by reaching the finals of the highly-regarded Fremont Tourney. Freshman Eric Fong ran the offenses smoothly. With Nelson, Inglehart, and Bridges hitting from the inside, and Davidson, Walecka, Chrisman, and Fong hitting from the outside, the offense was productive. The strongest part of their game was their stifling defense. The 2-1-2 zone shut out the inside and their right man-to-man produced many turnovers.

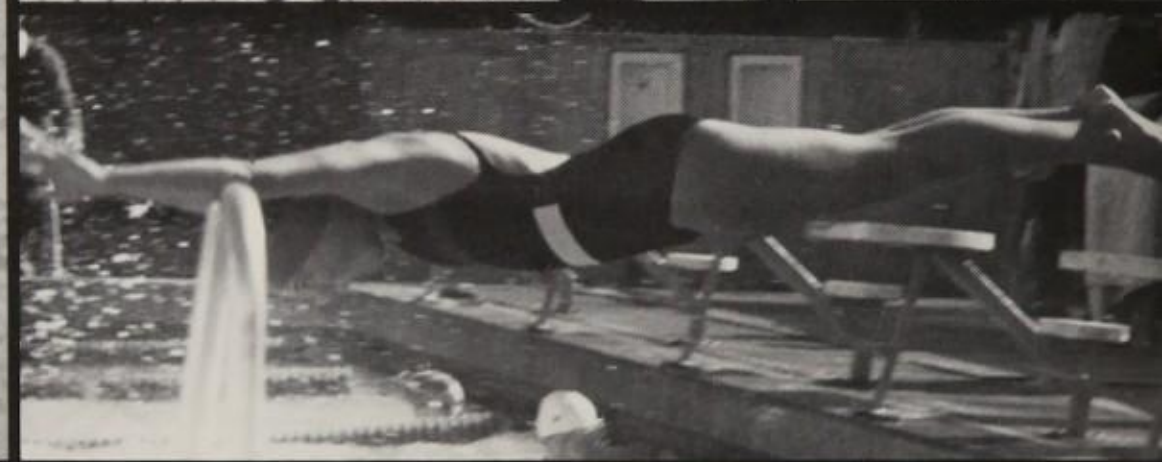

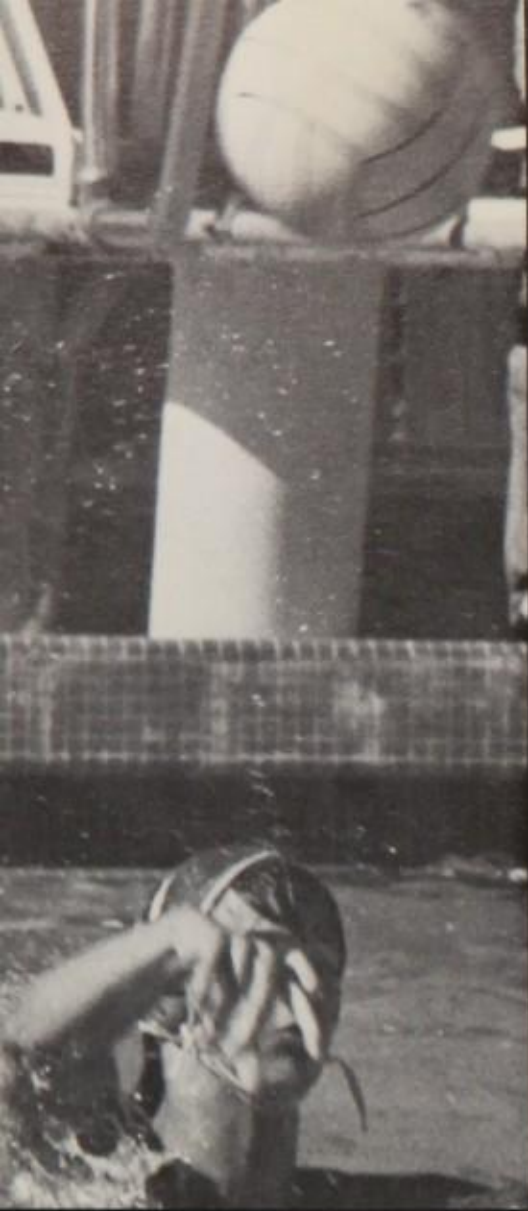

Although the Frosh/Soph league has no playoffs Gunn finished very high in the league.

Injuries, inexperience, internal attitude problems and adjusting to a new coaching system. These are just a few of the difficulties the 81-82 Gunn Varsity Basketball team encountered in their quest for a third S.C.V.A.L. title. Despite a dismal 2-8 pre-season record, the Titans were extremely competitive in S.C.V.A.L. play.

First year coach Don "Franco" Harris started his Gunn career with a team of considerably less talent than Gunn has had in the last several years. Led by seniors Rob Peterson and Brian DiBiasi and star juniors Griffin "Muff" Bonini and Derek Leith, a short team, the tallest being 6' 3 1/2" center Colin Bonini, the Titans efforts to overcome these and other difficulties was praiseworthy.

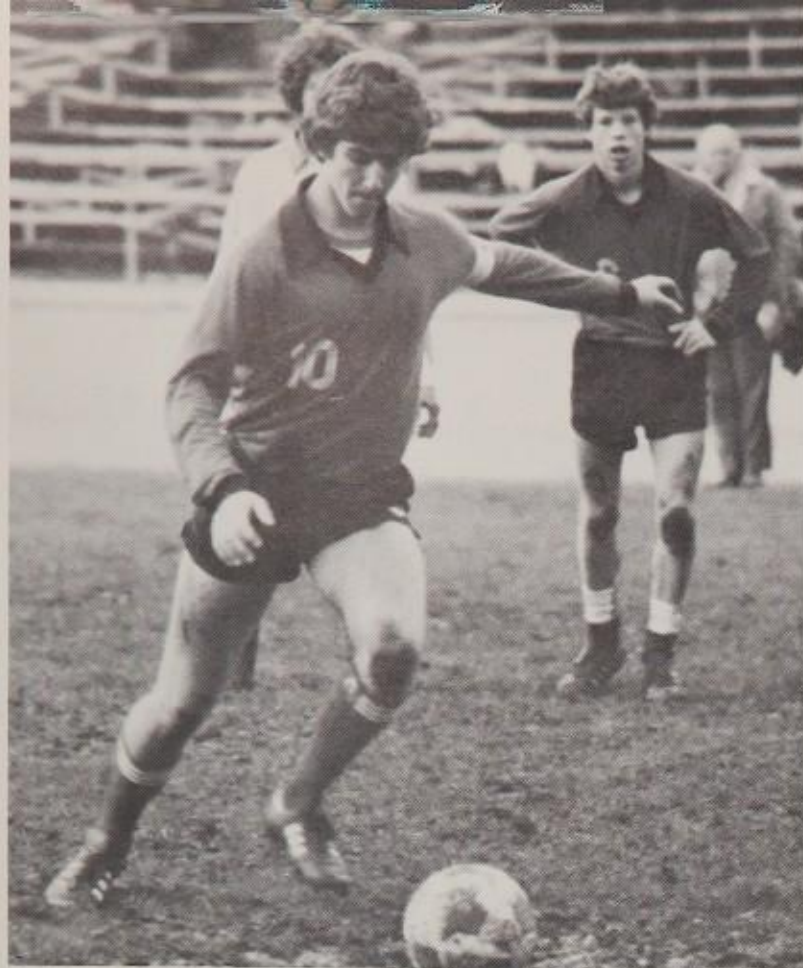

The temporary loss of Muff and Derek, due to injury, and the seasonal loss of Brian Bridges forced Coach Harris to juggle his players in a brilliant maneuver of "using available talent." With the heart of the team returning for next year, the outlook is bright for another C.C.S. contender in the coming year.

Row 1: William Haskin, John Kosek, Robert Silverberg, John Caumer, Jeff Edison. Row 2: Mark Hillier, Eric MacMurray, John Haskin, Lene Rosenberg, Robert Dickens

Over the past few years the Gunn Frosh/Soph water polo program has improving yearly and this year was no exception. This team was defeated only twice in league play, and won the rest, even though they were handed four freebies, as two schools fielded no Frosh/Soph teams. Sophs Robert Dickens, Robert Silverberg, Eric Mac Murray, and Mark Hillier were the standouts.

Front row: Mike Elman, Terry Livingston, Malcom Friedberg, Manny Fretas, Chris Dolph, Steve Banks.
Back row: Elio Rosa, John Barber, Shawn Owen, Ken Taylor, Shahin Emamjume, Jeff Johnson, Sean Lynden, Chris Melvin, Coach Aldo Quesada, Missing: Todd Collart, Ed Conlon, Jim Deslonde, Erich Heilman, Salem Kharaka, Troy Kjos, Tom McCall, Erland Patterson, Matt Richey, Scott Sucher.

The Frosh/Soph Titans won the SCVAL league championship for the third time in the last four seasons and continued to dominate the All-league team with seven players gaining recognition. Their record was 12 wins, 1 loss, and 8 ties. Aside from the frustration of those ties they played very well. Standouts were league M.V.P. Steve Banks at forward, forwards Shawn Owen and Chris Dolph, midfielders Manny Freitas and Ken Taylor, and Defenders Scott Sucher, Matt Richey, and Erland Patterson. Another dynamite season for the mini-Titans!!

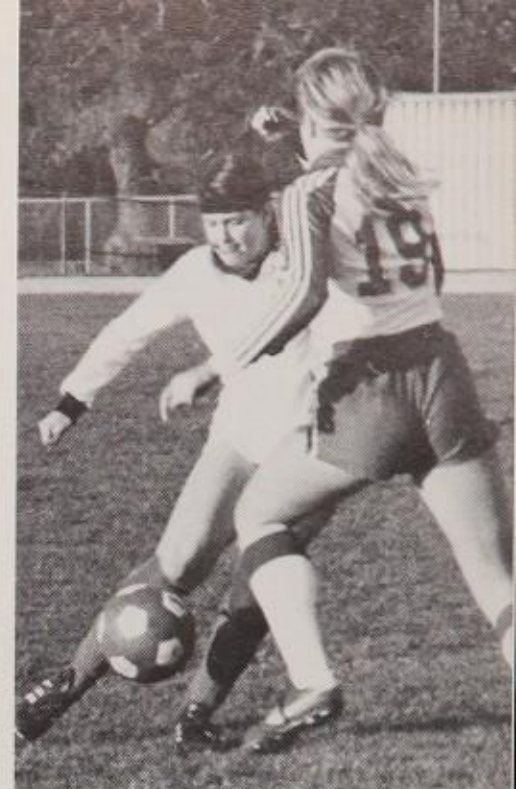

Row 1 Becky Kilby, Beth Wieland, Sarah Pearson, Devi Hingorani, Mary Morales, Ann Lyon, Tracy Mrazek, Row 2, Jennifer Yearley, Carol Ames, Jessie Sklar, Anya Philips, Carolyn Collman, Terry Lilley, Roberta Streifer, Sandy Quesada, Terry Wheeler, Beth Jensen (asst. coach), Row 3, Pam Williams, Holly Kingle, Martha Berndt, Sarah Koestner, Teresa Ortenburger, Emilie Wilson, Mary Harvey, Vicki Wheeler, Debbie Walsh, Alicia Hornbeck, Lisa Delong, Row 4 Coach Little, Nadine Golden, Jennifer Walsh, Carrie Riopel, Michalanne Rogondino, Alison Knopf, Tami Fellman, Erica Golden, Stephanie Bartholow, Susannah Halliburton, Kim Kempton, Marina Befu, Shelley Stringer, Katie Krumme, Carrie Madsen, Karen Weinstein, Britt Weiler, Coach Gold missing; Anne Nacey.

The Junior Varsity girl's team, coached by Kaye Little, enjoyed a thoroughly successful season. The booters winning season, of seven wins, two loses, and four ties granted them a place in C.C.S. competition. The girls scored an impressive 36 goals this season, almost double that of last year. Coach Little calls the team the best in the six years of girl's soccer at Gunn. The team's co-captains were junior Anne Nacey and freshman Carolyn Collman. Leading scorer was Emilie Wilson and Michalanne Rogondino played goalie.

Clock-wise from top left; Katie Krumme showing the balancing coordination of a soccer star. Karen Weinstein moving the ball down the field. Nicola Jarvis maneuvering the ball past a charging opponent. Karen Weinstein and Vicki Wheeler taking control of the ball as goalkeeper Britt Weiler looks on. Leading scorer, Lisa Delong, receiving a pass from mid-fielder Roberta Streifer.

This year's Varsity team had a winning season ranking in the top two in the S.C.V.A.L. Led by first year coach David Gold from England, the booters finished the season undefeated in league play with three wins and three ties. In their league games the girls scored 19 goals while only allowing 2. Leading scorer was Lisa Delong. Coach Gold describes the team as very close, showing a true sense of teamwork.

Kneeling: Denise Potenza, Spam Kanazawa, Paulette Mouton, Kris Hamamoto, Beth Zare. Standing: Coach Stephanie Adcock, Mary Jo May, Jill Crisler, Cissie Bonini, Jenny Vendley, MaryLou Snodgrass, Bobbi Barentsen, Chele Fairbanks.

This year unveiled the beginning of a new era for Gunn Girls' Basketball. The teams extreme efforts and "titan-sity" established them as one of the hardest working teams produced here at Gunn.

Co-captains Cissie Bonini and Mary-Lou Snodgrass lead their team to the best win-loss record ever for the Varsity team. Seniors Paulette Mouton, Jill Crisler, Chele Fairbanks, Bobbi Barentsen, MaryLou, Denise Potenza, Jenney Vendley and Beth Zare Will leave a big hole in the team for Coach Adcock to fill, but with the talents of Bonini, Kris Hamamoto, Beth Dere-sinski, and Pam "Spam" Kanazawa re-turning, 82-83 looks to be an even more promising year.

Kneeling: Chris Kanazawa, Lisa Brown, Danette Vercher, Keri Kubokawa, Annette Austin. Standing: Coach Sharon Poff, Delphi Karras, Susan Tsunoda, Monika Jerebek, Liz Peters, Kim Siegmund, Theresa Peters, Kelly Collin, Dianne Scott.

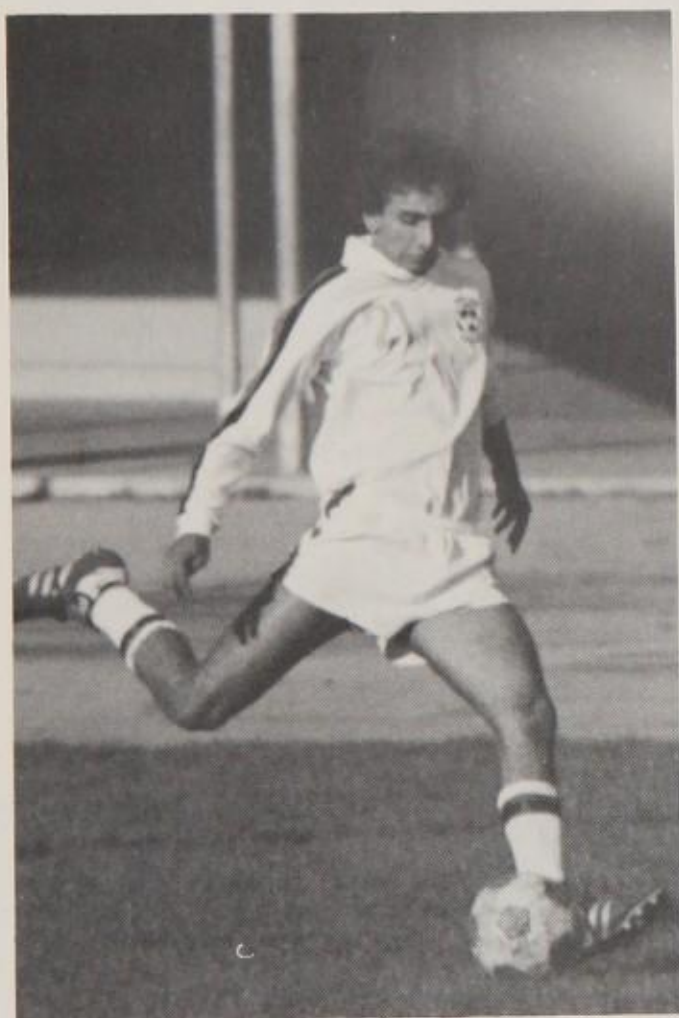

This year's girl's J.V. basketball team, led by captain Theresa Peters and Danette Vercher, came one game short of the S.C.V.A.L. championship title. With a win-loss record of 11-3, it is easy to see that it was a successful season for Coach Sharon Poff and her J.V.'s. Although next year many sophomores will be leaving to contribute to the varsity squad, many experienced freshmen make the 82-83 season something to look forward to.

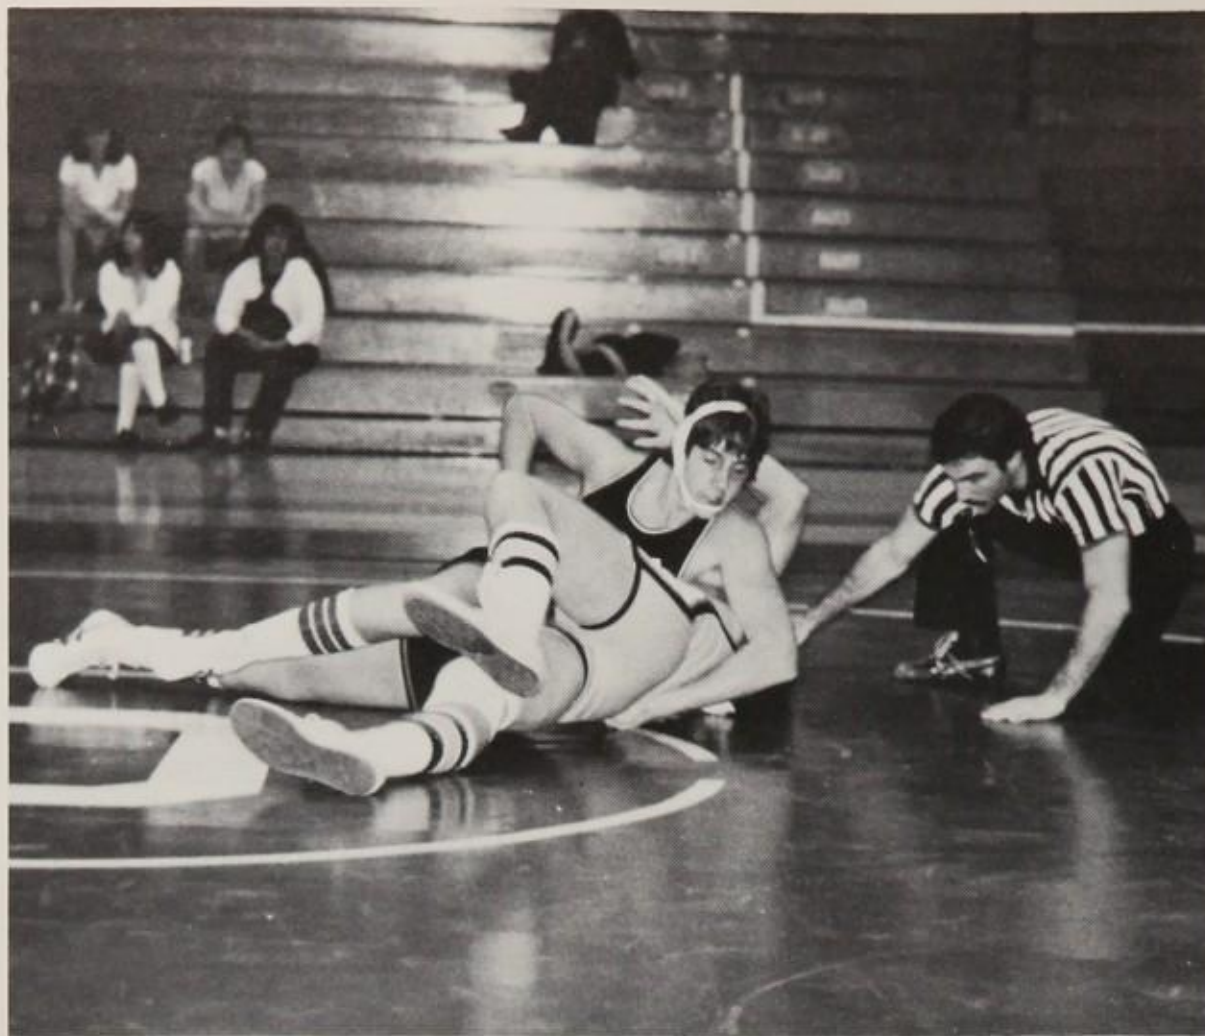

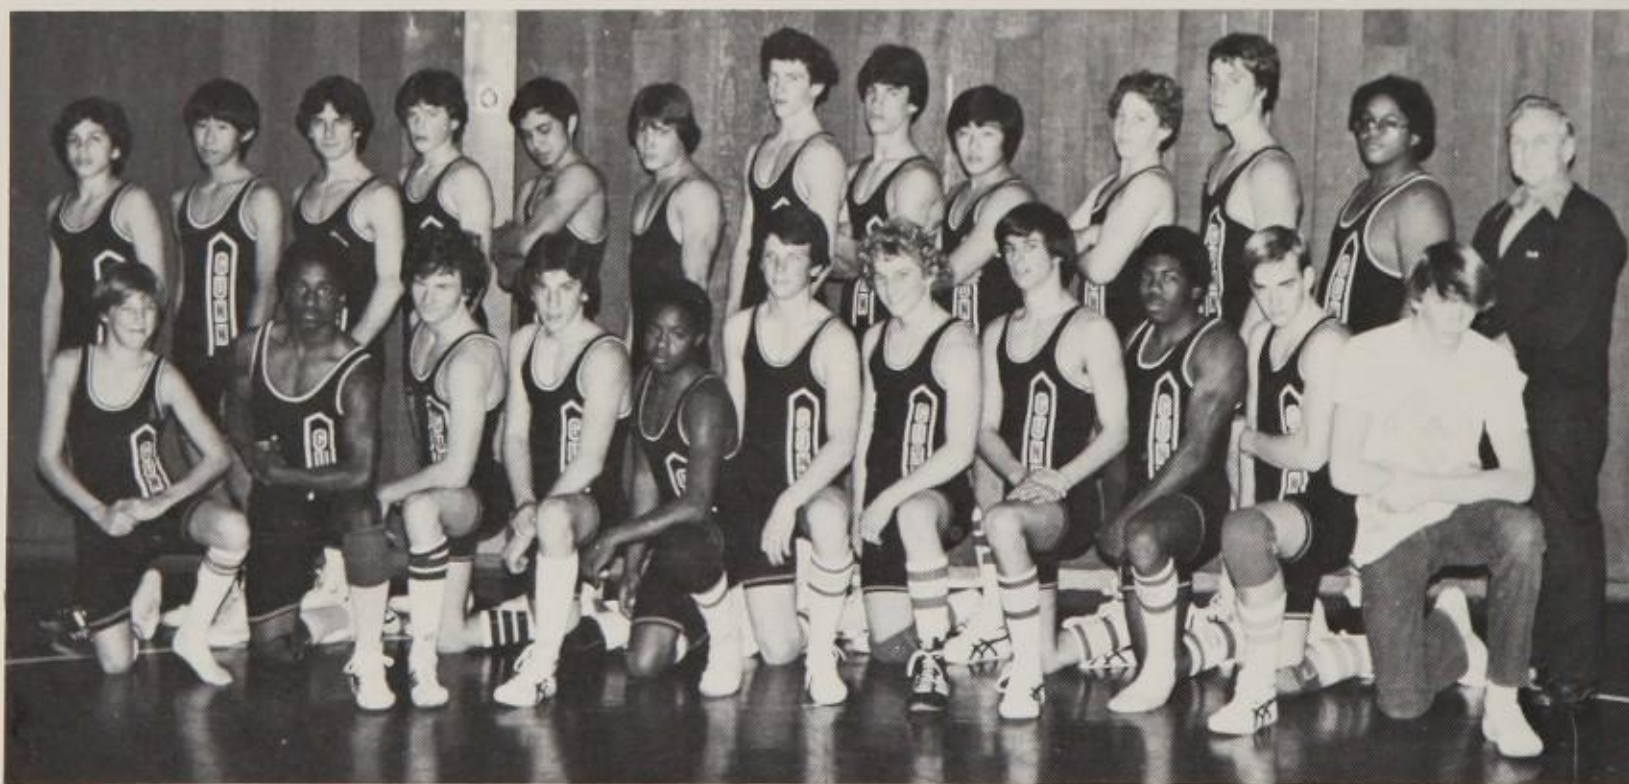

It was a successful but frustrating season for the Titan Varsity. Hopes were high after last year's quarter final finish in CCS, but early injuries to all-Peninsula stopper Mike Blanchette and midfielder Paul Anderson left a gap at midfield. Goalkeeper Chris Wilde and winger Mike Foy both played the entire season in knee braces and other injuries and illnesses took their toll, so that the final season record was 14-7 with one tie.

The Titans win over previously undefeated league champion Santa Clara (2-0) in their final match proved their potential and brightened prospects for next season. Standouts this season were Paul Edwards, a unanimous all-league choice in mid-field; Dave Daniels, our spectacular center forward; and second team all-league defenders Brett Carlson and Roger "Big Ro" Campbell. Coach Cooper was quoted, "Every single man on the squad was a strong contributor and I'm very proud of them all."

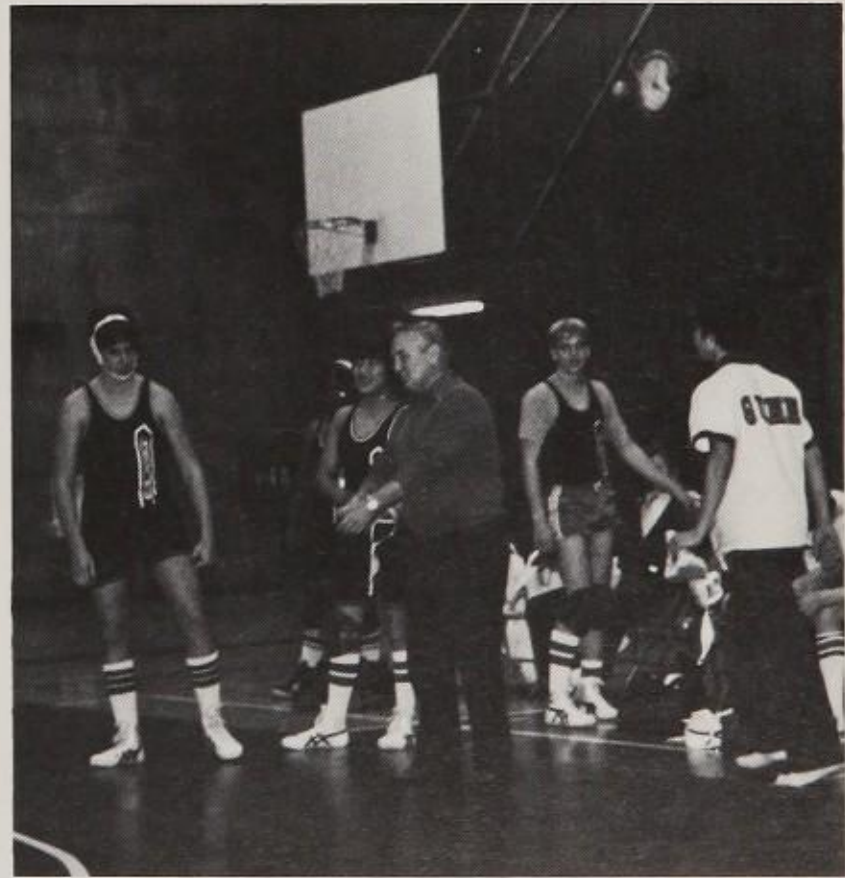

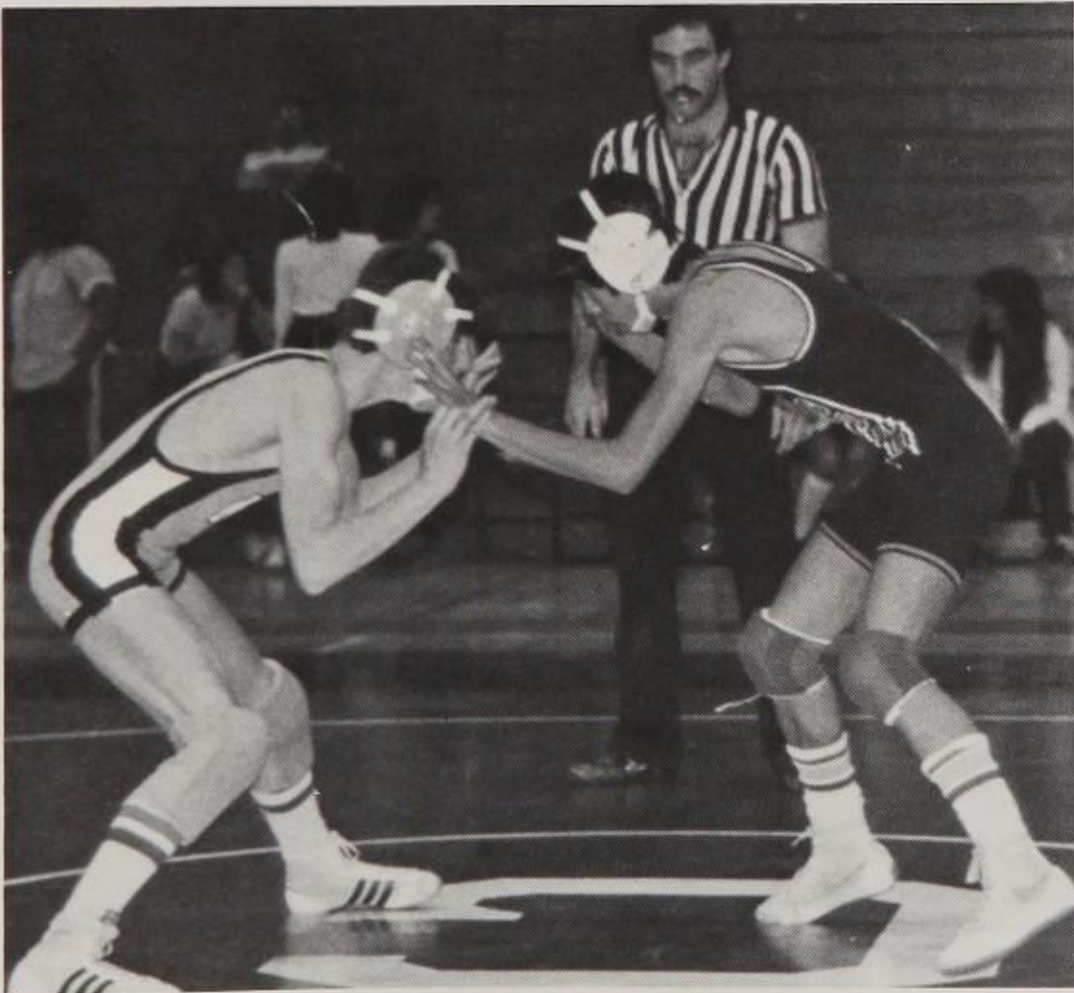

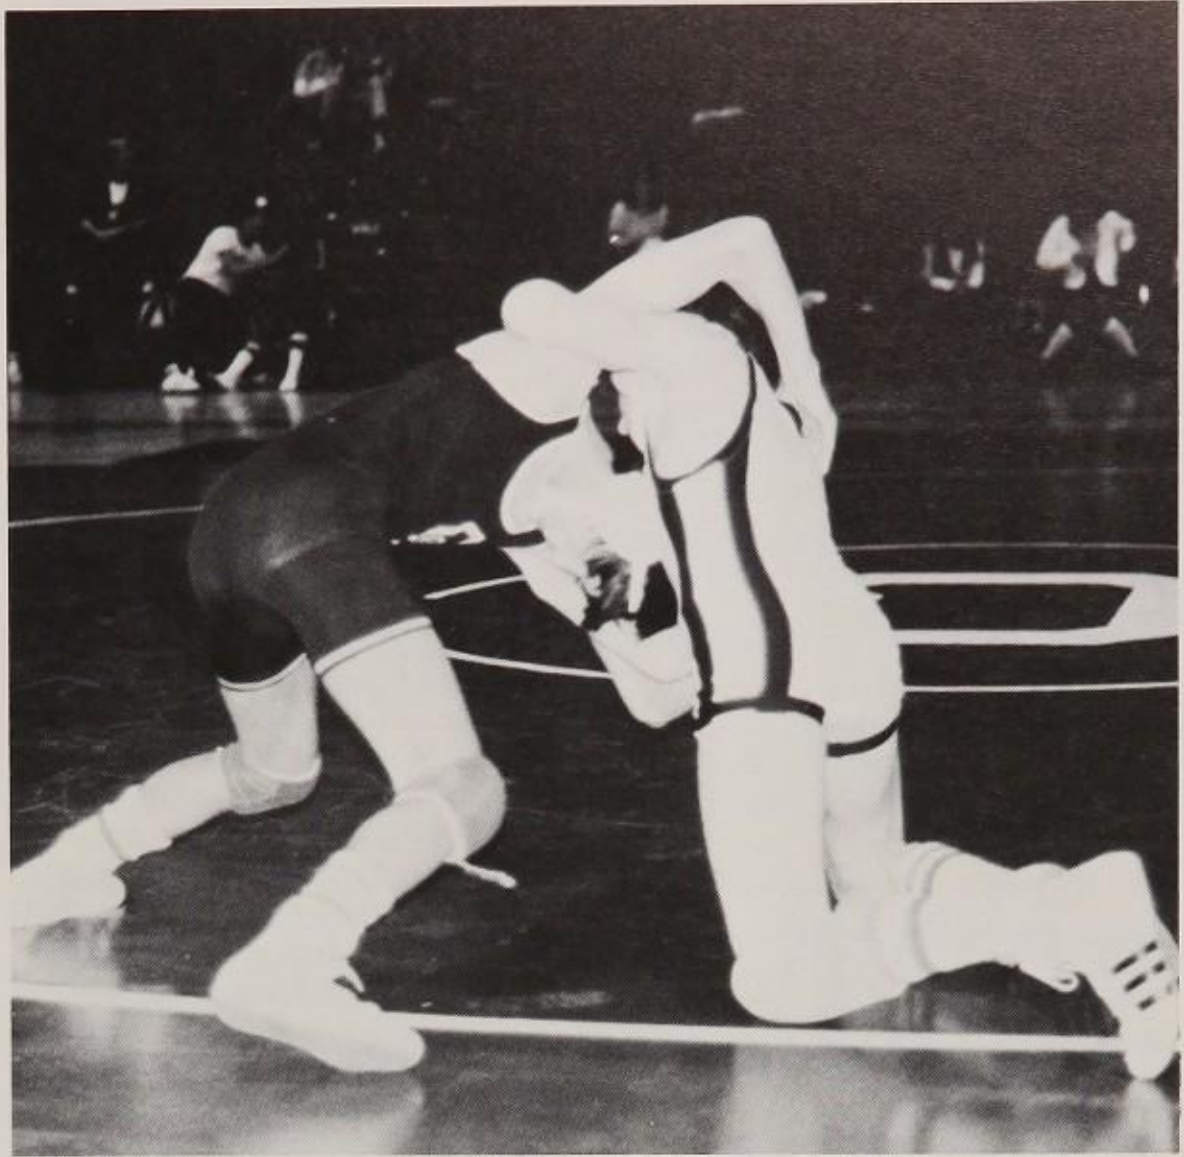

The wrestling season can not be considered a success when we consider wins and losses. However, we do feel that it was a success when we consider the twenty-four young men who participated. Much learning was accomplished. We had nine freshmen, six sophomores, six juniors, and three seniors who completed the season. Jon Hanson, Sean Lyell, and David Austin were our representatives for the C.C.S. by placing third, fourth, and third respectively in the SCVAL finals.

Front: Brock Giles, Rodney Blackwell, Kevin Farley, Nick Angeloff, Mason Null, Mike Nanevich, Dan Popp, John Cardoza, Todd Thomas, Bob Beatie, Robert Dickens. Back: Sean Lyell, Yun Shaw, Steve Rothblatt, Steve Richey, Ben Marshall, Vince Warizinski, Jon Hanson, Jon Hardy, Young Yu, Dan Familant, Mike Orendi, Dave Austin, Coach Sperry. WHAT YOU NEVER KNEW ABOUT COACHES

!!!!!!

You may think you know Gunns' coaches, but how well do you *really* know them? They may seem like mild-mannered, ordinary coaches to the inexperienced eye, but many of them have quite a history of accomplishments, embarrassing moments, and interesting facts about them that you probably never imagined!

For example, did you know that Coach Poff, at one time, competed as a "Horned Toad?" No, she was not always Gunns' Girls' Tennis and J.V. Basketball coach! She attended Coalinga High School and they're mascot was, oddly enough, the Horned Toad. Her most embarrassing moment was when she went down to southern California to be a bridesmaid. When she arrived, she realized she had forgotten her shoes, and she couldn't go back to the bay area for them, so she went shopping, but she couldn't find a pair that fit her. She then decided that she'd go to the wedding barefoot ... and she did!! She was even in a short dress! However, she claims that nobody noticed "because I was so tall anyway!"

Many of you know Coach Harris as the person who coaches our Varsity Basketball and Frosh/Soph Baseball teams. But did you know he almost went down with the ship (so to speak) in the middle of lake Don Pedro? In the summer of '81, he took his 18 foot motorboat out into the middle of the lake and when he looked behind him, the back of his boat was submerged in water. (He forgot to put the plug in the hole of his boat!) thinking quickly, he put the boat in full gear and sped around the lake until all the water had been pressured out! Smart thinking, Coach Harris! By the way, he's also quite an accomplished waterskier.

Did you know that 2 of our coaches may have been unintentional rivals when they were younger? Coach Truesdell (the Varsity Football and Varsity Softball coach) played football for U.C.L.A. when he was in college and Coach Doster (the Varsity Football and J.V. Softball coach) played for Stanford.

Coach Little, the Girls' J.V. Soccer and Swimming coach, has quite a long history of embarrassing moments, but the *most* embarrassing thing that ever happened to her was in high school. She was on the swim team and during a meet, just after she had finished her laps, she got out of the pool and noticed that the top part of her suit had slipped down to her waist! Poor Coach Little! Her face turned almost as red as her hair! Although she had some awkward moments in her life, she also had some exciting ones. She was a member of the representative U.S. Hockey Team for California which played in an international tournament in Canada!!!!

Speaking of hockey, Coach Finnigan (the Girls Diving and Gymnastics coach) was on the U.S. Olympic Hockey Team!!!

Steinbeck? Salinger? No, it's Coach Peters and he's written a book called "Wait 'Til Your Mother Gets Home!" Coach Peters is Gunns' Varsity Football and Track coach. We're all excited about his new book for many reasons. Mainly because they're thinking of making it into a movie for television and quite possibly a series. Nego-

tiations are currently underway and it look promising. The story is about a man and his wife reversing roles with each other so that the husband stays at home, watches the children, and does the housework and the wife goes out and earns the wages. Coach Peters derived this idea from the exact situation he and his wife underwent this past summer. The result, in his own words, was, "I failed, miserably." This came as a shock to someone who had almost always succeeded in anything he set out to do. Coach Peters has been the Goodwill Ambassador to Pakistan for the Rotary Club. He was voted Man of the Year by the Jaycee's, Outstanding Secondary Teacher in the U.S., top rifle in a battalion in the Marines, and was the Junior College All American! He is also a concert pianist! That's outstanding, Coach Peters!!

Coach Adcock is Gunns' Girls' Varsity Basketball and Varsity and J.V. Badminton coach. When asked about her most embarrassing moment, she replied, "I'm so perfect, I don't have any embarrassing moments." However, we discovered a story that might have caused a little embarrassment for her. One evening all the coaches were having dinner at a Chinese restaurant. During the meal, Ms. Rotty (a former Gunn coach) asked for somebody to pass her a certain dish. Well, Coach Adcock spun the lazy-Susan around, but Coach Poff put her finger on it and made it stop at a dish for somebody else. The sudden stop made all the dishes go flying onto Ms. Rottys' lap! It is said that Coach Adcock turned bright red and you don't see that very

often! Although Coach Adcock hasn't had much luck with lazy-Susans, she has some extremely fine achievements in sports. In college, she received the Outstanding Scholar and Athlete Award. Later, she went on to be ranked No. 1 in the over 30's division in tennis by the U.S.T.A. and No. 11 in the open division! The Northern California Tennis Association voted her most improved player of the year in 1981! She also played professional basketball!! Very impressive, Coach Adcock!

There are still some coaches that haven't been mentioned, yet, so we'd like to recognize Coach Bow for his outstanding job in Frosh/Soph Football and Boys' Varsity and J.V. Tennis, Coach Daner for Cross Country and Track and Field, Coach Sperry for Frosh/Soph Football, Coach McCrary for Waterpolo, Coach Nieves and Coach Jensen for Varsity and J.V. Volleyball, Coach Cooper for Boys' Varsity Soccer, and Coach Gold for Girls' Varsity Soccer.

The varsity baseball team this year is vastly improved over those teams which have taken the field for Gunn in the recent past. Coach Tim Farrell, who last coached the Titans in 1977, has added a new look and winning attitude to the team.

Despite the efforts of veteran hurlers John Chovanec and Russell Light on the mound, hitting was the team's major strength. The hitting prowess of all-leaguer Chovanec, senior Ken Switzer, and junior Jay Demski, combined with the long ball ability of catcher Todd Kjos and Illidio Freitas both irritated and confused opposing pitchers all season long.

The Gunn boys swimming and diving team, which was SCVAL champions last year, looks like a strong candidate to repeat this year. The team consists of 22 varsity swimmers, and Frosh/Soph swimmers. Jerry Dickens, Randy Edison, Ted DeWilde, John Hillier, and juniors Carl MacPherson, and Mike McGrath are the outstanding swimmers this year. On the Frosh/Soph level Sophs Robert Dickens, Eric MacMurray, Lene Rosenberg, and John Kumer are the standouts. Gunns main competition for the league crown will be Santa Clara and Los Altos, however Gunn has enough depth to out do both those teams.

The 1982 girls J.V. softball team was led by sophomore catcher and team captain Vicky Wheeler and sophomore second basemen Terri Lilley. A fine freshmen class led by first basemen Toni Krumme and shortstop Maria Delloca all ensure a solid future for softball at Gunn High School. The team has improved a great deal from early practices and I anticipate being in the thick of the league title race.

The 1982 Badminton team was just as strong as its two S.C.V.A.L. championship predecessors. Senior singles star, Karen Weinstein and upcoming sophomore, Cissie Bonini, combined their talents with consistency of the four Varsity doubles teams: Pam McClintock and Christina Ng, Mary Giffen and Megan Wheeler, Karen Drews and Kathy Kraft, and Karen DeMoore and Emmie Fa. As a great deal of the team's strength lies with its juniors, Coach Stephanie Adcock anticipates another league championship in '83.

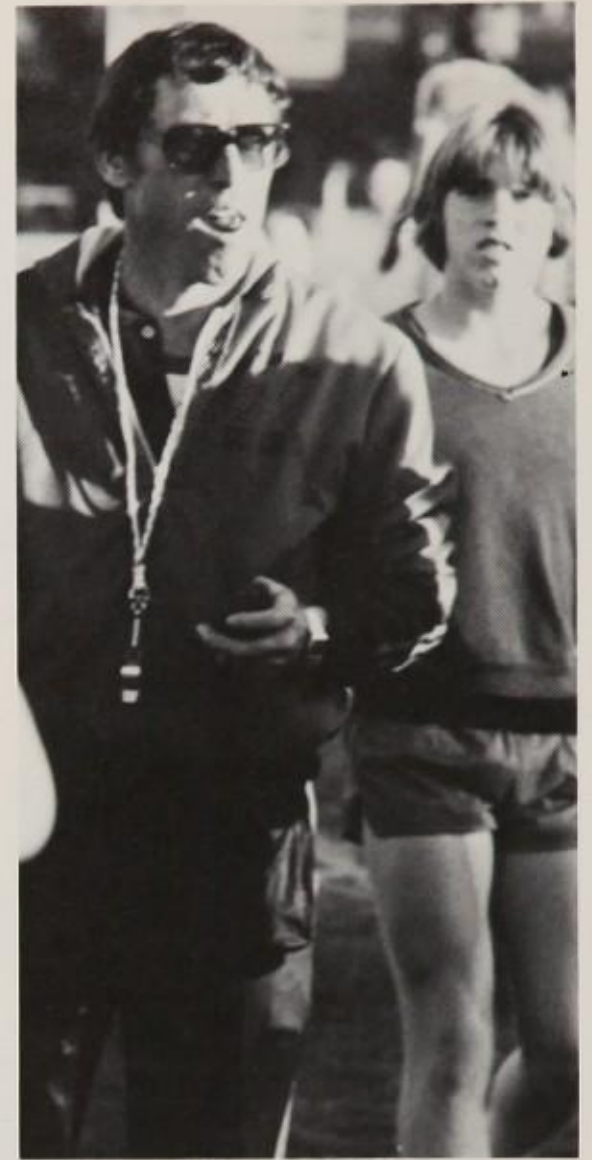

"There is no 'I' in the team." This has been the driving force that has motivated Gunns' Boys Tennis team to an awesome record and will lead them to the C.C.S. Coach Bow has done an excellent job in the teams' abilities because true team unity increases the teams' performance on the courts. So far the Varsity team has had an 11-2 record and the J.V. team has been undefeated. Everyone is looking forward to the C.C.S. Playoffs. Graduating seniors Rick Arons, Justin Clayton, Evan Lunde, Peter Lyon, and Matt Porteus have played key instrumental roles in the success of the team.

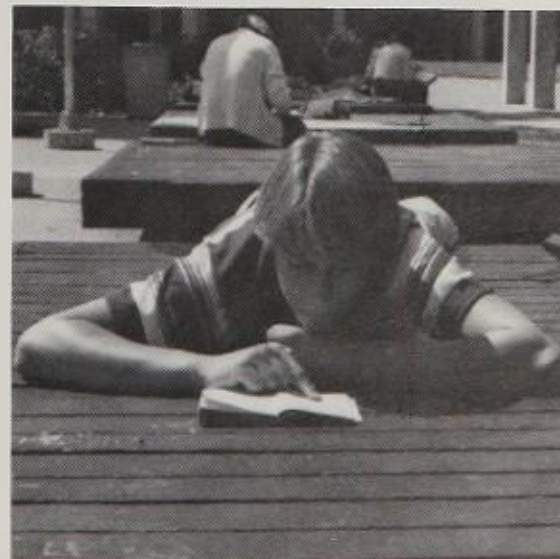

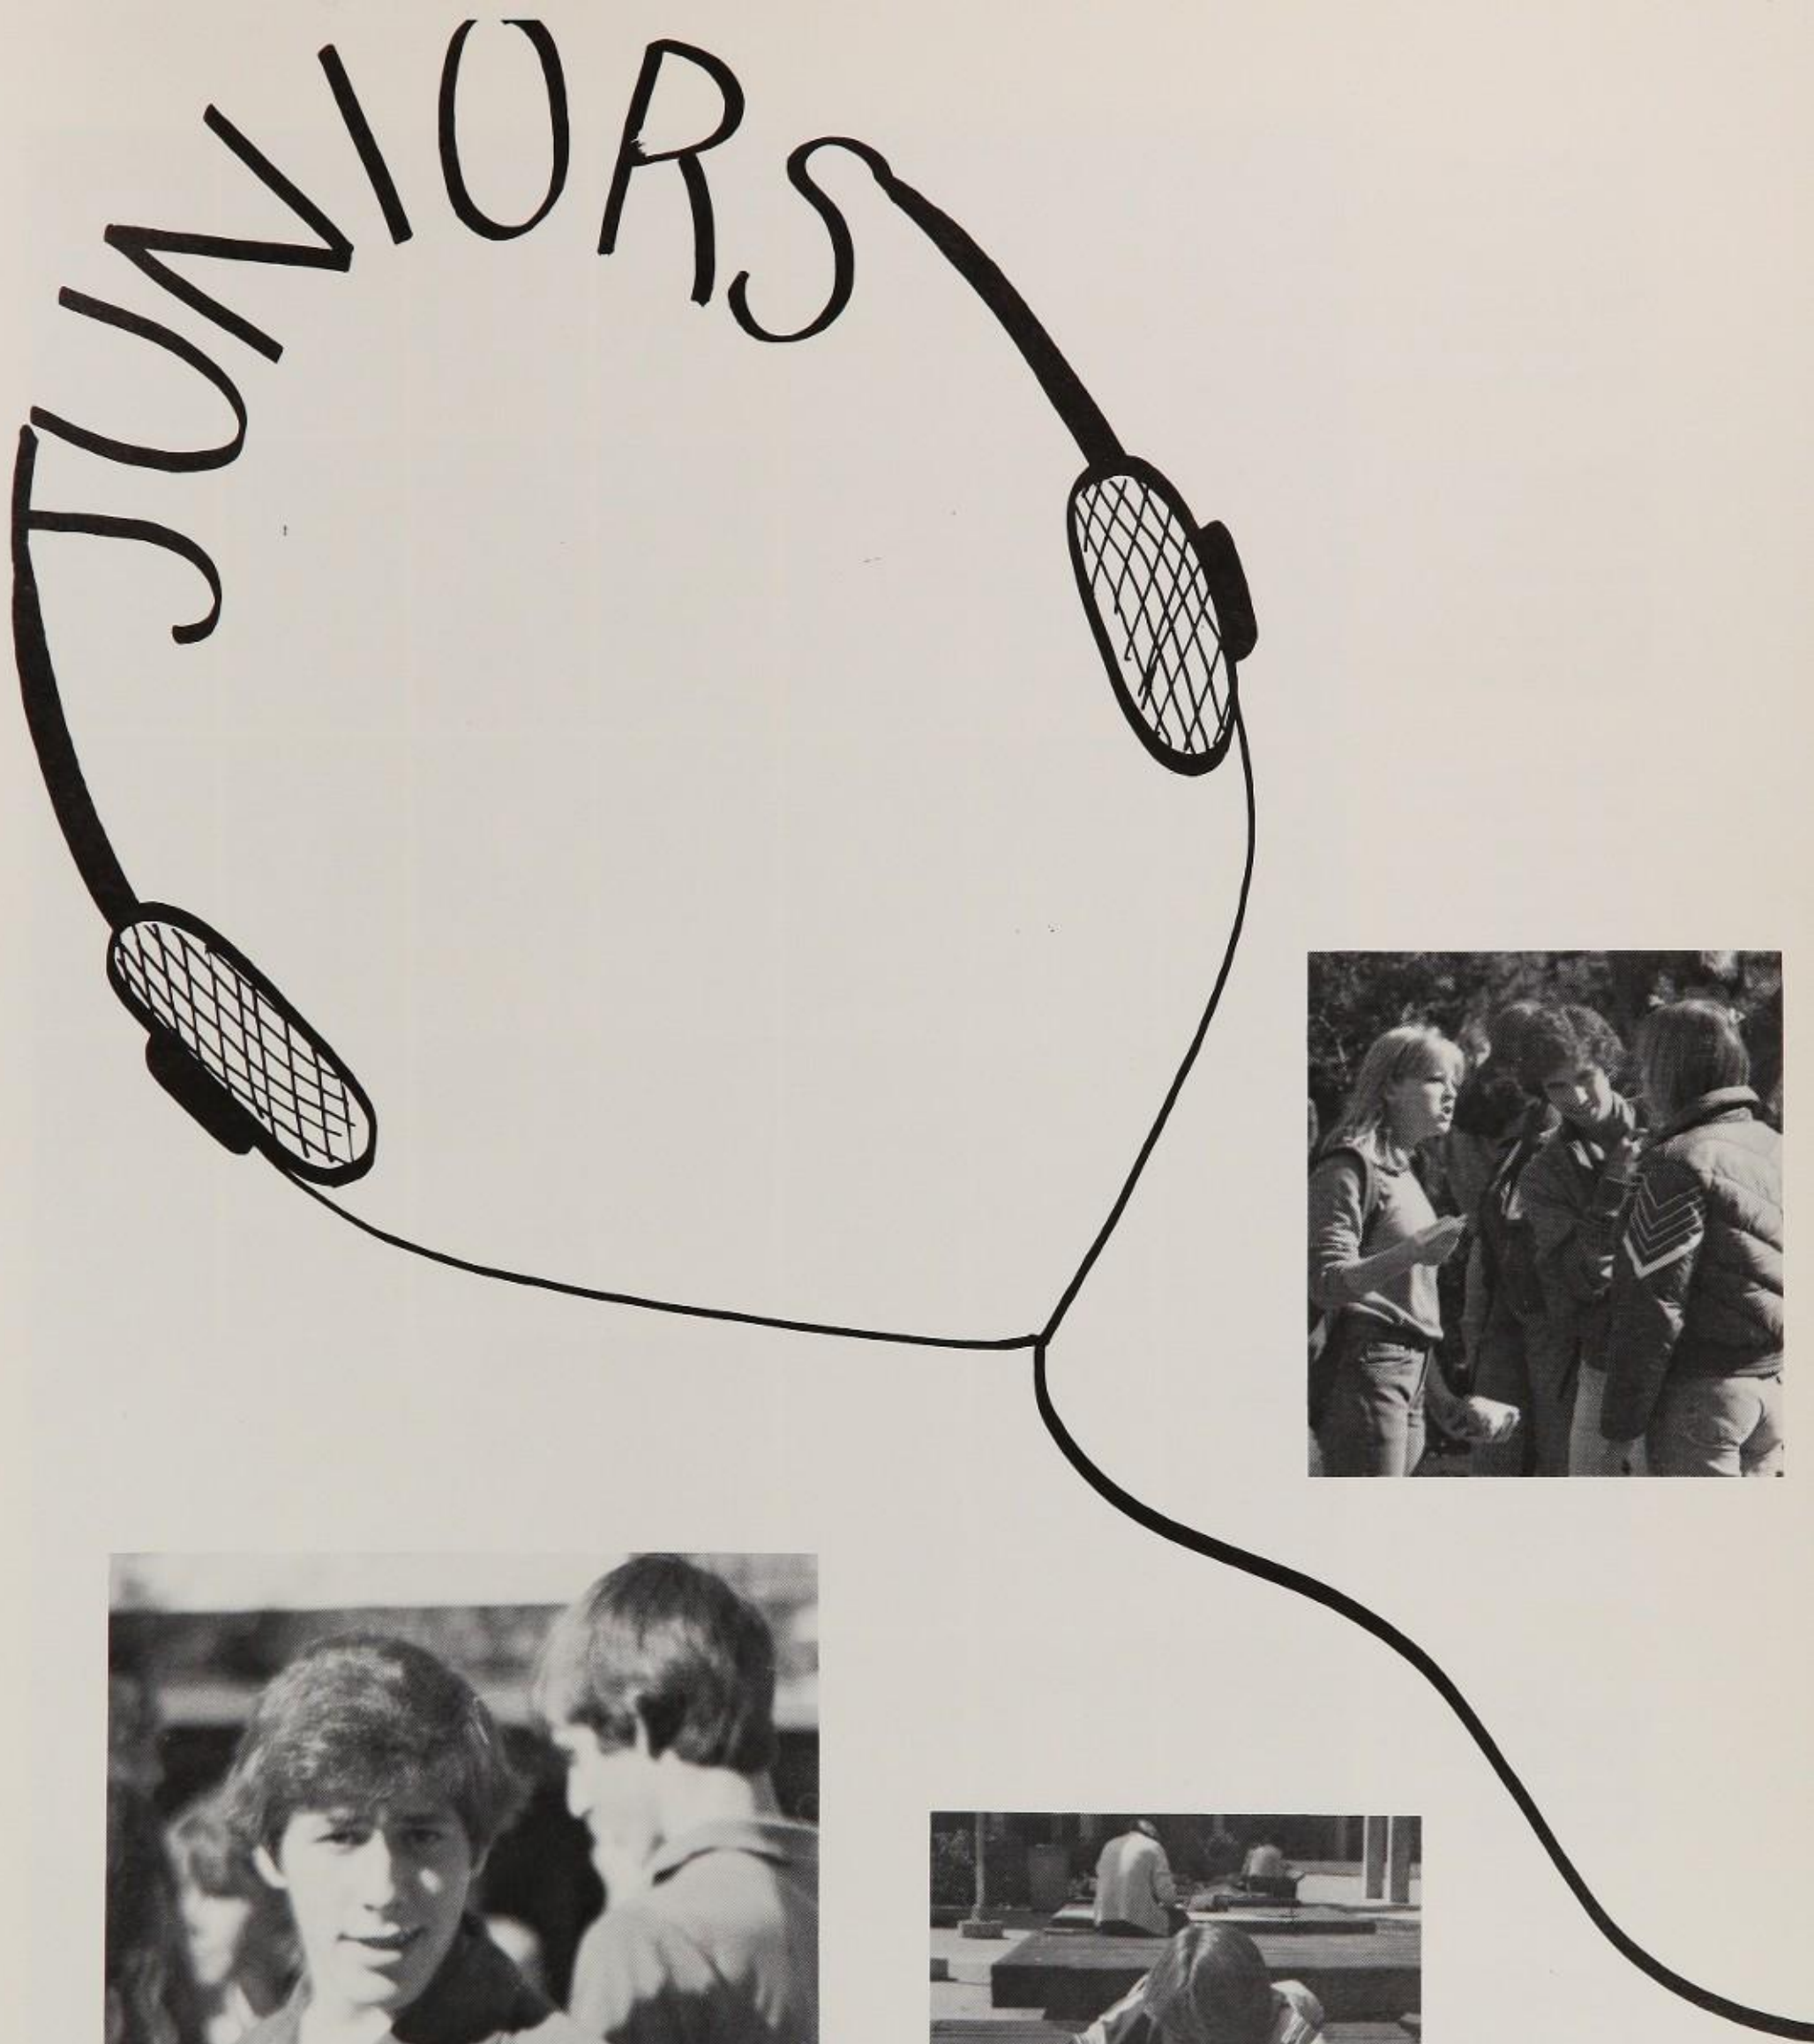

The 1982 track team led by head coach Hal Daner and consisting of almost 10% of the student body will definitely be in the running for three league titles, in the boys Varsity, girls Varsity, and girls J.V. divisions. Daner predicts that the toughest competition will come from Santa Clara, Los Altos, and Paly. The team has an impressive coaching staff. Daner describes them as competent, knowledgeable, and personable." With such outstanding athletes as Kent Iglehardt, Ester Berndt, Brad Elman, Jill Crisler and long list of others, the team is looking forward to a successful season.

FALL ONE ACTS

The 12 Lb. Look

Directed by Anthea Charles

A subtle British comedy about what happens when a wealthy British gentleman (Chris Jarzynski) hires a typist who turns out to be his exwife (played by Lucy Collier).

Footsteps Of Doves

Directed by Margaret Pumpelly

Beth Davis played a bride who locks herself in the bathroom an hour before her wedding. Ignoring the frantic pleas of her parents (Alicia Miller and Dan Adams), she comes out only when her fiancée (Charlie Cosovich) orders her out of the bathroom and down the aisle.

A Visitor From Forest Hills

Directed by Claire Pope

A hilarious scene in a department store where Jeremy Bishop and Teri Jarzynski played a couple arguing about whether to buy single beds or to stick with their old "54."

THE MATCHMAKER

Directed by Bob Stockmann

This entertaining comedy takes place in turn-of-the-century New York. Margaret Pumpelly played Dolly Levi, an experienced match-maker, who in the course of finding a suitable wife for Horace Vandergelder (Chris Jarzynski), touches the humdrum lives around him. Through her maneuverings and their good fortune, the clerks (Jeremy Bishop and Brad Abernethy) find adventure, excitement and romance with the hat girls (Ariane Mendez and Claire Pope), the niece (Shauna Cunningham) marries her lover (Ted Corbin) and Dolly herself marries Mr. Vandergelder. Her generous spirit uses the money he has stingily hoarded to spread more excitement around her.

GOOD LUCK SENIORS!!

Chris -
This year went by really fast. I can still
remember all the football games and
giving you guys all the food afterwards.
That was fun. Too bad we didn't win
more games but at least we won homecoming.
I'm really glad that I got to know
you this year. I had a really good time
that night we went out. I see the light-
show was ~~bizarre~~! It would be fun to see
when you were drunk. Any way,
your a really nice
guy and are really easy to talk to. I'll
never forget Friday the 13th. Thanks for
everything. If you ever get bored this summer

For the third time in three years, the *Oracle* staff was confronted with a new face for its faculty advisor. Tim Farrell, once an English teacher, carried the *Oracle* through many of the personnel problems resulting from the new editorial and business system, which includes twelve positions.

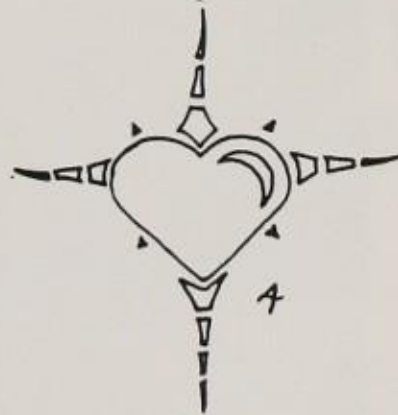

Continuing its graphic evolution that began after the disasters of 1979-1980, Editor-in-Chief Mark Weiss, Managing Editor Greg Zlotnick, and Lay-out Editor Dan Stryer designed the standardized Forum, News, Features, Entertainment, and Sports sections. The *Oracle* also began its new tabloid front page which, when combined with the Centerfold pages, allowed feature topics to be covered with more depth and completeness.

The size of the staff increased to a record level of 47 beginning and advanced students, assures a good future for *Oracle* journalism.

My four years of athletics at Gunn have brought me many meaningful experiences and lessons that I'm sure I will use frequently in the future. One very important lesson is realizing that your not going to reach any of your goals if you don't give 100% all the time. Thanks to coaches: Doster, Peters, Reglien, and Truesdale. -Chris Strausser-

Mary Laub- Softball, Soccer, Volleyball

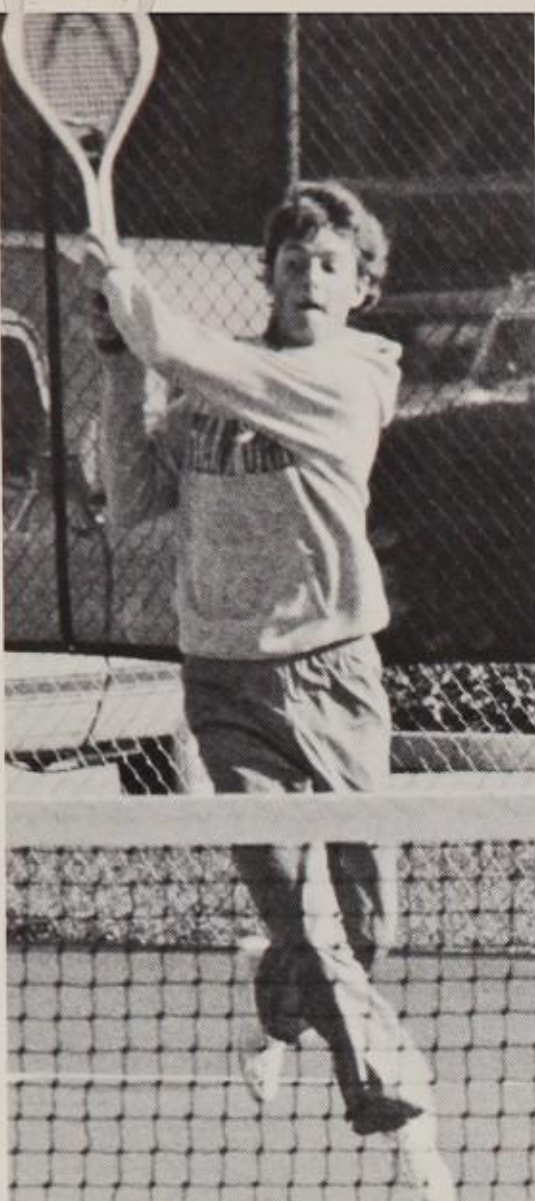

I think that the most important thing about Gunn sports has been meeting new people and making new friends. It's really great that the team members and people associated with the team remain friends and do things together after the season is over. On the teams that I have played on, we have always been able to have a good time as well as work hard for a goal. My future plans include coming back to watch the volleyball team beat Los Altos and win the league title!!

Sports have played an important role during my years at Gunn. The intensity of making a good tackle, putting a shot 52 feet, and hitting a home run are beyond description. Sports have helped me understand myself and they have helped me learn about dedication and discipline. When I have the time I love to pitch up a ball and go for the gusto. The friends I have made and the things I have learned through athletics will last me a lifetime. Thanks to my many coaches who have helped me to excell in my sports. I plan to participate in collegiate athletics at Brigham Young.

-Roger Campbell-

I have always been actively involved in sports, but athletics at Gunn have been especially important to me. While cross-country and tennis are both individual sports, it was the team atmosphere that made both of these sports special. Memories of all the fun I had on both of these teams will always be strong. Probably my most powerful memory is of the pride that each team possessed. It was always a great confidence booster to know that forty or fifty people were behind you and cheering for you the whole time. Yet, as I look back I am glad that both are only games and will always continue to be so.

-Matt Porteus-

Swimming has been a big part of my life. Having swum for Gunn for four years has shown me the real closeness and strength of a team. Swimming takes a lot of hard work and dedication which, if you are willing to put out, it will pay off. I believe if you want to do something badly enough, you can! My ultimate goal in swimming is to make the Olympic trials in 1984! Next fall, I plan to attend Cal Berkeley and swim for the team. Thank you to my teammates and a great friend and coach Ms. Little.

-Caroline Bethke-

I've experienced many rewarding accomplishments through sports at Gunn High. First girl to play water polo, experienced professional coaching and learned about discipline and dedication. But most of all the friends you make working for each other on the soccer field. Thank you Mrs. Little

-Kim Kempton-

Running is just a game I love to play, but I do it with great desire, skill, and intensity. The game would never be the same if it weren't for Mel Ho, Hal Daner, Tena Harms, and all my friends on the Cubberley and Gunn Cross-Country and Track teams. I look forward to competing for Stanford or U.C. Berkeley, and after that ... who knows where the finish line will be?

-Esther Berndt

On the surface, with all the butterfly, 5:15 morning workouts and time involved, swimming really isn't worth it. But when I think of all the great friends I've met, the fringe benefits (reno & wild times) and the feeling of helping our team win, I'm glad I went through it. Always delve deeper than the apparent. Thanks to Carol for sharing our good times and for being our coach.

As production of the 1982 *Olympian* nears completion, many memories remain - the successes and the disasters, the elation when things went well and the frustration when they did not, and those unforgettable times when some flash of inspiration materialized at just the right time to put our wheels back on the track.

Putting together any publication has its problems as well as pleasures, and this year's effort was no exception. There were times when film turned up missing. Pictures we knew had been enlarged somehow vanished. Group shots were planned but had to be scrubbed because signals got crossed and the group and/or photographer didn't show (or went to the wrong location). The staff photographers had to adjust to a system of darkroom scheduling far different from the previous years. And when we all thought we had the situation in hand, it rained.

And it rained. And it rained.

Yes. We had our bleak moments, but, on balance, the bright spots left more lasting memories than did the unpleasanties. This year, for example, every *Olympian* staffer, led by Debbie Liang with nearly \$400 in sales, met or exceeded the \$100 per person quota, an achievement never before attained. The whole *Oly* crew is to be congratulated for an outstanding effort, but many individual performances stand out too.

One remembers Richard Jamison's long hours, both in his home darkroom and at school, working feverishly to produce color prints for our opening section. None of us will forget Nancy Parker, Jeanie Waltuch, Bonnie Goodman (and others) who always seemed to leave school with huge bundles of work to do at home. Eric Simmons constant activity in the darkroom and

behind the camera were key contributions to the overall effort as was Megan Wheeler's willingness to pitch in and help whenever the busy Personnel staff was rushing to prepare pages. Lena Jang, Advertising Editor, performed her job superbly — so well, in fact that this year's ad section is among the best ever as is our record of collecting payment from advertisers. There many others who rendered yeoman service to the *Olympian* — Ken Ruinard, for example, who spent that last frantic Saturday preparing original art when we had no sophomore casual pictures and Liz Thornton's great designs throughout the year. It's unfortunate that space does not allow mention of each staffer's strong individual effort without which the job would not have been completed.

Let it suffice to say that everyone at Gunn owes a debt to the whole year-book staff. Thank you, one and all.

In order to produce an effective yearbook, it is important to have the cooperation of many individuals. At this time, we would like to take the opportunity to thank some of these people who gave us the support we needed to get the job done.

First of all, we would like to show our appreciation to Linda Searle and Anne Garr for being so helpful to the yearbook staff in such ways as collecting surveys, pictures, running off thousands of copies of pop polls, senior box sheets and various other forms needed throughout the year.

The Oracle staff was also instrumental in that they provided us with articles and other necessary information. Thank you, Mr. Farrell, for sharing RC 5 with us and putting up with our staff in general.

Ken Ruinard deserves recognition for waking up at 8:00 a.m. on a Saturday morning to draw some excellent artwork at extremely short notice. Liz Thornton also deserves our thanks for her outstanding artwork on the division pages.

Finally, we would like to thank all the people who helped us in the production of ads, sports, pop polls and fads. Without your support, the yearbook would not have been possible.

Thank you very much,
The 1982 Olympian Staff

Putting together a yearbook is an awesome task. It cannot be done by any one individual or even a small group of people. It requires the cooperation and contribution of each and every member of the staff.

Nothing would have been possible without the Photo staff. They were understaffed and overworked. Photo Editor Richard Jamison and his staff Eric Simmons, Paul Brown and Linda Wong spent many long hours after school and on weekends shooting, developing and printing the badly needed pictures. There were lost negatives and missing pictures, as there are in any production effort. The 1982 *Olympian* will reflect the outstanding results of their fine work.

The Personnel section, all underclass and senior pictures, casuals, clubs and various other pages, is often taken for granted. These are some of the most monotonous and time-consuming pages to work on. They are also some of the most important. Co-Personnel Editors Jeanie Waltuch and Nancy Parker and their staff, Janet Bording, Liz Thornton, Lindsay Blum, Sarah Bjork, Megan Wheeler and Marianne Murad, spent countless hours typing, organizing and laying out pages. Their dedication and hard work is what kept the staff together.

Sports, led by Kathy Moffeit, had the always difficult task of scheduling team pictures and coaxing shy coaches to write articles in addition to their page layouts. This is no easy undertaking but Debby Liang, Chris Nelson, Ruth Hamerton-Kelly, Roy Myers and Kathy did a great job.

Lena Jang, the Ads Editor, was new to yearbook this year. With a staff of one, Lena did the incredible job of organizing ads, contacting businesses and keeping the books up to date. She had some help from other staff members but the bulk of the work was done by her. She did an outstanding job and we couldn't have done it without her. The entire staff should be congratulated for the Ad sales this year. Never before has there been such enthusiasm and cooperation from everyone. We reached an all time high in individual combined sales. This is something to be proud of.

There are several people who did extra pages in addition to their regular work on the staff. They performed above and beyond the call of duty and they deserve special thanks.

Most of all, I would like to thank Mr. Penley. There were times when he yelled and got impatient with us but that was because he cared. Walking into an almost empty classroom or finding a big mistake were the times when this editor was ready to throw in the towel. Mr. Penley was always there to put things back into perspective. The *Olympian* would have been non-existent without him.

In conclusion, I would like to personally thank each and every member of the 1982 staff. It was a great privilege to work with you all. Thanks for a job well done.
